

Medical Device Regulation (MDR) Declaration of Interest

Date: 28.03.2024

As a Medical Devices Department Manager of Malta Conformity Assessment Ltd., I undertake and hereby declare that I do not have any direct or indirect personal and financial interest which may create a conflict against my impartiality and independence when carrying out my duties and responsibilities.

I only engage with working activities as a 3rd party conformity assessment provider, occupation and health control services, off the shelf(not client specific) software development, not client specific training activities.

I do not have any financial investments on any company which Malta Conformity Assessment Ltd. may provide certification for.

I do not have any family connection with any company which Malta Conformity Assessment Ltd. provides certification for.

I confirm and undertake to comply with all principles of impartiality, objectivity, integrity, independence, ethical codes of MCA and requirements of relevant legislations; avoid, prevent, and eliminate any possible conflict of interests.

In addition, I also declare that in case of any change which may contradict with my above statements I will immediately inform relevant parties which shall not be later than 10 days after the change takes place and will provide details when requested.

Salih Oğuz SAVAS

Medical Devices Department Manager
